IMPORTANT INFORMATION ABOUT THE TOUR

HOW FAR IN ADVANCE DO I NEED TO BOOK ?

This train tour is an exclusive trip with very limited departures through the year. Consequently we strongly advise our clients to book as far in advance as possible to avoid disappointment. This particularly applies to the higher level cabins which there is strong demand for.

CAN YOU OBTAIN & ADVISE ON THE VISAS FOR US ?

Visas (if required) can be quite complex so we recommend using a specialist visa agent and have an arrangement with [CIBT Visa Central](#) who offer a reliable service for all the visas you will need for your trip. Of course, we provide all the necessary documentation which must accompany your application. Note that the onus is upon the client to ensure passports and visas, as may be required, are valid prior to departure for Africa. Passports must have at least five blank visa pages and must be valid for at least six months from your return-home date.

ARE YOUR TOURS FINANCIALLY PROTECTED ?

Trips sold as packages to UK clients come with financial protection either through our ATOL if the trip includes a flight or insurances which comply with the UK package travel regulations for any trip that does not include a flight. In addition our ABTA membership means we must adhere to their strict code of conduct. Trips sold by us as an agent for train operator do not come with financial protection as even in the event of our insolvency your booking with the train operator would still exist and be honoured.

CAN YOU BOOK FLIGHTS & OTHER TRAVEL FOR US ?

Absolutely! Our ATOL license means that we can book international or indeed internal flights. We get particularly good access to the best deals on British Airways as we are an appointed operator. We can offer extensions to further explore the destinations at either end of the trip. Just ask us for details.

PRE DEPARTURE

Arrangements for our tours are made many months in advance and occasionally changes may have to be made (including but not limited to the cancellation and/or substitution of guest speakers) and we reserve the right to do so at any time. Most of these changes will be insignificant (e.g. a modified service of carriages attached to a regular service train) and we will advise you or your travel agent of them as soon as possible.

Changes: If we make an insignificant change to your holiday, we will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but we will have no liability to you. Examples of insignificant changes include alteration of your outward/ return flight by less than 12 hours, changes to aircraft type, change of accommodation to another to the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change.

Due to changes in airline schedules or other operating reasons after our tours are booked, it is sometimes necessary to change the airline, airport or aircraft notified to you or your travel agent. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate. Such a change is deemed to be an insignificant change and the provisions of clause 4.1 (as appropriate) shall apply. 4.4 If we have to make a significant change, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of: i) Accepting the changed arrangements; or ii) having a refund of all monies paid; or iii) if available and where we offer one, accepting an offer of an alternative holiday (we will refund any price difference if the alternative is of a lower value

If we have to make a significant change, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of: i) Accepting the changed arrangements; or ii) having a refund of all monies paid; or iii) if available and where we offer one, accepting an offer of an alternative holiday (we will refund any price difference if the alternative is of a lower value).

IMPORTANT INFORMATION ABOUT THE TOUR

POST DEPARTURE

On rail tours that include haulage by specific locomotives, travel in specific carriages, or on specific lines, whilst every effort will be made to ensure that these features are provided as advertised, there can be occasions when, for reasons outside of our control, the specific features cannot be provided. In this situation we will endeavour to provide alternative traction, accommodations or routing such as the circumstances allow. If we cannot make suitable alternative arrangements or if you refuse to accept these for good reason, we will arrange to transport you back to your tour departure point or to the point our contracted services commenced as soon as we reasonably can.

However, we and our agents at all times reserve the right to make such substitutions in relation to aspects of the tour for mechanical, operating or other matters required for reasons beyond our reasonable control (such as any war or terrorist activities (threatened or actual), riot, civil unrest, closure of airports, industrial action (threatened or actual), political conditions, natural or nuclear disaster, fire, adverse weather conditions, changes to or cancellation of air, river, sea or rail services or any other events outside our reasonable control).

We reserve the right on occasions (at our sole discretion), due to effective load management procedures on the train, to provide cabin upgrades for selected passengers without additional charge. Such cabin upgrades are not guaranteed, cannot be requested and may only be notified on the first day of the tour.

We and our agents at all times reserve the right, without liability to you, to cancel and or amend any programme of guest speakers without notice to you and this shall always be a minor change. For the avoidance of doubt, you shall not be entitled to cancel your tour and or any refund of monies paid by you, due to the cancellation and or amendment to a programme of guest speakers. In the event that you cancel your tour due to such reasons, the cancellation charges shall apply.

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction

SCHEDULING, ROUTE & EXCURSION

Sjourney is solely reliant on the traction and railway services provided by the Vietnam's national railway. Our hands are regrettably tied when these services fail, be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or any other issued. Delays can occur due to our reliance on these national organizations. Sjourney is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond the control of Sjourney. Sjourney reserves the right to cancel or amend our route, any excursions and the tour departure dates provided we can offer the passenger alternative excursions or departure dates. Sjourney cannot guarantee excursions or departure and arrival times. Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all the off-train experiences. We strongly caution against same-day air travel on departure/arrival days due to possible delays with flights or the train.

TRAVEL INSURANCE

Passengers must be fully insured to cover any risk of medical expenses and repatriation (which includes remains) and Sjourney is in no way responsible for such liabilities. We strongly recommend passengers purchase travel insurance to also cover any risk of unforeseen cancellation charges.
