Swift Dining Car

The carriage design was modelled on the previous Victory carriage which was taken out of service in November 2012. Swift can accommodate 20 guests, ensuring all 40 train guests can dine at the same sitting, across the two dining cars.

Raven Dining Car

Adjacent to Swift is Dining Car Number 1, which is still referred to by its former Pullman car name, Raven. Colin Angell, a firm of cabinet makers from Evesham, Worcestershire, won the contract to transform a 1962 second-class Pullman carriage into Raven, with a capacity for

We welcome our guests to their convivial country house on wheels, where their journey will recount the epic chapters of their adventure and create unforgettable memories in the purest Scottish tradition.

GRAND SUITE 1

GRAND SUITE 2

The Grand Suites aboard royal scotsman signal the start of a new age of indulgent highland adventure. The spacious interiors are rich in references to Scottish culture and reflect the passing landscapes. Patterns echo Edwardian elegance as Pictish stones, dark woods and local stones sit side by side with rich and sophisticated tweeds. The design of the furniture and lighting is directly inspired by the Scottish islands. Together, the design elements conjure a sense of enrapturing myth and cinematic drama, while fostering the feel of a private club where members join together in a convivial spirit.

Across all of the tartan designs the tram lines depict the train tracks that carry the passengers on their journey across Scotland. Within the main check block of the designs there is a 37 thread block of colour subtly depicting the 37 years the train has been running since 1985. The style of the tweed was selected as the blocks of colours subtly reflect train tracks and the colours aim to capture the changing mood of Scotland's mythical landscape and weather.

IMPORTANT INFORMATION ABOUT THE TOUR

How far in advance do I need to book ?

This train tour is an exclusive trip with limited departures through the year. Consequently we strongly advise our clients to book as far in advance as possible to avoid disappointment. This particularly applies to the higher grand suite cabins which there is strong demand for.

Are your tours financially protected ?

Trips sold as packages to UK clients come with financial protection either through our ATOL if the trip includes a flight or insurances which comply with the UK package travel regulations for any trip that does not include a flight. In addition our ABTA membership means we must adhere to their strict code of conduct. Trips sold by us as an agent for train operator do not come with financial protection as even in the event of our insolvency your booking with the train operator would still exist and be honoured.

Can you book international flights for us ?

Absolutely! Our ATOL license means that we can book international or indeed internal flights. We get particularly good access to the best deals on British Airways as we are an appointed operator.

Can you book further travel for us ?

We are pleased to recommend a selection of refined hotels for your stay before or after your journey. Please speak to us to make a booking or contact the hotel directly. On the final night of your luxury train journey, our crew can reserve taxis/limousines for onward transfers, for example to the airport, your hotel or from Edinburgh Waverley Station. For more details, please speak to the Royal Scotsman Train Manager.

What is the dress code onboard?

For daytime excursions in the Scottish Highlands and distilleries, bring a warm, waterproof jacket and good walking shoes. For relaxing moments, we recommend casual, comfortable clothing and appropriate footwear. For dinners, smart casual is appropriate. For formal dinners and gala dinners a dark suit and tie, tuxedo or national costume such as a kilt are advised for men. For women, a cocktail dress, tartan or similar attire is recommended.

What is included in the price?

A Royal Scotsman luxury train journey includes comfortable state cabin accommodation, daily table d'hôte meals, and a selection of alcoholic and other beverages. Onboard entertainment and outdoor activities are also included in the package, with sightseeing excursions, as shown in your itineraries and booking confirmation. Does the train have wifi?

Wifi is available in the observation car, however due to the remote locations of many of our tours this connection is not always available.

Luggage & storage on board

Cabins have limited space, therefore we recommend each guest travels with one suitcase and one carry-on bag. Twin State Cabins have storage space under each bed, measuring 71cm x 23cm. If necessary, facilities are available at The Balmoral Hotel in Edinburgh for luggage storage during your journey. Prior to boarding, please attach a Royal Scotsman luggage tag to each piece of your luggage.

Therefore, it is at the Train Manager's discretion that children may accompany their parents in the bar and restaurant cars. Please contact our reservations team to discuss full details and train journey suitability.

The Royal Scotsman train departs from Edinburgh Waverley Station. Check-in takes place at The Balmoral Hotel, adjacent to the station. We request that you deposit your luggage with the concierge team between 11 am and 12:15 pm, to allow us adequate time to transfer your luggage to the train.

Passport & visas

All visitors from overseas must be in possession of a current passport, with a minimum validity of 6 months beyond your journey stay date — applicable to both adults and children.
